CABLE COLUMN

MODEL › GZFM6016

FEATURES AND BENEFITS

Adjustable Pulley System › Pulley carriage adjusts from 14 to 84 inches to allow for a variety of exercises and accommodate users of various heights.

Cable Travel › With 96 inches of cable travel, users can perform unlimited exercises with full range of motion.

Angled Leg Design › Angled legs stabilize the Cable Column while in use and allow multiple units to be stored compactly.

Enclosed Weight Stack › For user safety, enclosed weight stack limits access to moving parts.

Locking Wheels › Heavy-duty wheels make it easy to move and lock in place for user safety.

Accessories › Each Cable Column comes with two long handles, one short handle and an ankle cuff for a wide variety of exercises.

Swivel Pulley › This pulley system ensures fluid cable movement and nearly unlimited range of motion.

Industrial Construction › Built out of 11- and 7-gauge steel with an electrostatically powder-coated, heat set finish.

SPECS › FreeMotion Studio Cable Column
